Rudy, could you followup with Berry to find out what a “very productive meeting” means?
Is there anything that we would need to do on this side as a followup?
Thanks. I will also ask my colleague Pat to followup . thanks

Mike:

As discussed we had a very productive call with a staffer with the Suffolk Co. Legislature.

One of the recommendations she made is that EPA should do a little more thorough outreach to make sure the public knows about future meetings.

I will discuss further with our Region 1 colleagues and our press folks to see if they

Hi Gwynn,

Attached please find the presentation which EPA made at the public information sessions in June.

Additional information on Dredged Material Management in Long Island Sound may be found on EPA, Region 1's website at: <http://www.epa.gov/region1/eco/lisdreg/index.html> .

Additional information on the LIS Dredged Material Management Plan, including finalized reports, may also be found at the U.S. Army Corps of Engineers website at <http://www.nae.usace.army.mil/Missions/ProjectsTopics/LongIslandSoundDMMP.aspx>

Please feel free to contact me or Berry if you have any further questions.

Best regards,

Pat Pechko
